

Impairments, Afflictions, Suffering

No one can hide. No one can run. No one can forget the impact they play in our lives. Barriers and Bridges provides biblical insight to some of life's most difficult questions.

- ❖ Where did impairments, afflictions and suffering come from?
- ❖ Why does a loving and merciful God allow them?
- ❖ Are they signs of God's disfavor with us?
- ❖ Can any good possibly come from them?
- ❖ How should the local church approach such things?
- ❖ How does one cope with bitterness related to these trials?
- ❖ Is victory over them possible?
